# When a napkin isn't enough, a Wysi® Wipe excels

#### **Enhance Customer Satisfaction**

Turn a nickel sized compact into a 9x9 inch / 22x24cm reusable, strong, durable cloth with just a tablespoon of water! Versatile Wysi® is perfect for many uses:

Finger Appetizers Kids / Takeout menu's
Ribs, Wings, Tacos Gooey desserts
Seafood dishes Small task cloth
Customers with allergy concerns

## **Going Green is Easy**

As product biodegrades in compost environment in less than **30 days** discard Wysi® with green-waste. And lint free Wysi® is great to finish plates, plus you can eliminate crosscontamination on any surface.

#### **How To Present**

Presentation can vary according to season, or reason. Add warm water to soothe, cool to refresh, or fancy up a citrus twist to cut grease. You can deliver Wysi® beside a traditional finger bowl, or liquid can be added prior to leaving the service area. Use before, during or after a meal. It is fun for both server & customers alike.

#### **Enhance Customer Satisfaction**

Once the 'wow' or fun has faded it is amazing to expand a soft, facecloth-like wipe. The added bonus is Wysi® contains NO added chemicals or fragrances.

### **Intangible Environmental Benefits**

Less storage space, reduced energy use, pay only for your actual use, **and** packaging is minimized.
